We're dancing on the

We're now dreaming of becoming the overall winner – but we need your help!

This is what they have to say about St Mawes Retreats / Hideaways (i-escape know us as St Mawes Hideaways – but promise it's us!):

This collection of 4 cottages has a great setting overlooking the sea in the village of St Mawes, Cornwall. Each has been lavishly restored and benefits from the owner's excellent concierge services. The smallest has 2 bedrooms, so is perfect for a single family, a couple have 4 bedrooms and can sleep 8-10 (ideal for a pair of families or a multi-generational holiday), and the largest sleeps up to 12 in 5 bedrooms, great for a big house party. All have sea-facing terraces and gardens, big picture windows to soak in the sea views, and plenty of games, toys, books and a dressing up box. The largest houses have games rooms with mini-pool tables, and trampolines in the garden.

We're delighted to have won one category but to win the overall crown would be simply amazing.

Thanks in advance for your help and we hope to welcome you to one of our award winning St Mawes houses very soon!

Best regards

Amanda
