

St Mawes Retreats

LUXURY CORNISH COASTAL HOUSES

HERON CREEK - ST MAWES - CORNWALL

HERON CREEK

World class waterfront home with private beach and direct access to the Percuil Estuary

St Mawes Retreats is delighted to introduce Heron Creek into our portfolio of luxury holiday houses in St Mawes. With breathtaking far reaching views of the Percuil Estuary and countryside, this impressive private residence is available exclusively for a limited number of weeks in 2023 and 2024.

Originally built in the 1920's for the Bird family of Bird's custard, this is a home of magnificent proportions and grand interiors. The glorious gardens and far reaching estuary views provide a perfect setting for breakfast on the terrace, and alfresco dining under the stars with a barbecue, freshly caught fish, and an array of delicious fresh Cornish produce.

Retreat from the ordinary, restore balance and surrender to relaxation. Enjoy an early morning swim in the heated outdoor pool, as wildlife awakens and the morning mist lifts from the Percuil River. Or enjoy an invigorating workout in the gym followed by a sauna with views across the pool and estuary beyond.

With direct waterfront access to its own private beach and running mooring for your boat, prepare a picnic and set sail by boat, kayak or canoe to enjoy the beauty of the Roseland Peninsula, and to explore the beautiful coastal beaches and great gardens of Cornwall.

Return home to chill out in the cinema room, enjoy a game of pool or entertain your guests on the grand piano - this all year round property offers indoor and outdoor activities to guests.

Heron Creek is set in an idyllic area of outstanding natural beauty, only footsteps away from Summers Beach and a short stroll to St Mawes village centre, the harbour, shops and restaurants.

This is a truly exquisite luxury waterfront home. Ideal for holidays with family and friends, writers or artist retreats, celebrations and corporate occasions.
